

Application No.: 10/802,544

Amendment dated: November 17, 2005

Reply to Election/Restriction Requirement dated: October 20, 2005

### REMARKS/ARGUMENTS

#### Election/Restrictions

Claims 10-33 are pending in the application. Claims 1-9 have been cancelled. Claims 19-20 and 22-33 have been withdrawn pending the allowance of generic claim 10.

The Examiner asks the Applicant to elect a single disclosed species for prosecution on the merits to which the claims shall be restricted if no generic claim is finally held to be allowable.

Currently, claim 10 is a generic claim. Applicants elect with traverse, Species C, drawn to couple the FPC to the actuator body by solder bonding for claim 21.

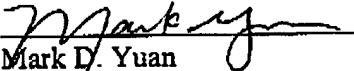

It is believed that this Amendment places the application in condition for allowance, and early favorable consideration of this Amendment is earnestly solicited.

If, in the opinion of the Examiner, an interview would expedite the prosecution of this application, the Examiner is invited to call the undersigned attorney at the telephone number listed below.

The Commissioner is hereby authorized to charge any additional fees, or credit any overpayments, to Deposit Account No. 11-0600.

Respectfully submitted,  
KENYON & KENYON
